5th November 2026

Eagle & Osprey Class trip to We The Curious
Wednesday 25th November 2026

Dear Parents and Carers,

We have organised a very exciting visit to We The Curious in Bristol on Tuesday 17th November. This visit relates to our science lessons. We will be exploring many aspects of biology, chemistry and physics within the curriculum which will benefit both the Year 3 and Year 4 children. We also have the wonderful opportunity to watch a science show.

To enable us to go on the trip, we must ask for a voluntary contribution of **£14.20** per child to cover the cost of the coach hire as well as admission and show. For any children in receipt of Pupil Premium funding, this cost is reduced to **£7.10**. If you are not sure if your child qualifies for Pupil Premium funding, please check with the school office.

A huge thank you to our wonderful PTFA, who donated £300 towards this trip to reduce the cost to parents.

The coach will leave school at 9:15am and we will be back in time for the end of the school day. Children should wear school uniform although please ensure they have comfortable, appropriate footwear and warm layers. We also ask that children have a waterproof coat, water-bottle and a packed lunch in a named rucksack/bag. A packed lunch is available to order. This is £2.80, or free of charge for those entitled to Free School Meals.

If you have a school DBS check and are available to come, please let us know via email or in person as soon as possible as we could be very grateful for any support.

Please complete the consent and make payment by **Wednesday 11th November** should you wish your child to attend. Whilst no child can be excluded from the visit due to parents being unable to contribute, we must point out that if contributions are not sufficient to cover the cost, then the visit will need to be cancelled.

Insurance - All activities and visits in the UK are covered by the same arrangements; i.e. the Authority only provides cover against proven or agreed negligence by the Authority and its employees. Students are not covered against accidents resulting from their own carelessness or against those accidents which are completely unavoidable and not due to negligence of any other party. Parents may wish to make their own arrangements to take out personal accident insurance for day to day activities in, or out, of the establishment.

Kindest regards,
Mrs Hall
