Dear Parents and Carers,

I hope that this email finds you well. I am delighted to share with you our recent OFSTED report, in which we were awarded the grade of GOOD in all areas.

I would like to express my sincere thanks for your continued support and commitment to our school community. It is with great pride that I inform you of the positive feedback we received, which reflects the dedication of our staff, pupils, and you, our valued parents and carers.

The attached report is reflective of the journey that we've been on as a school over the last two years. In this time, our skilled and dedicated staff have developed and delivered a broad, balanced and enriching curriculum which, in combination with our focus on providing high-quality pastoral support, and plentiful opportunities outside of the classroom for personal development, enables us to provide an excellent, well-rounded education for our pupils.

The report highlights that our school is a friendly and welcoming environment, where every child feels included. It is especially pleasing to read about how our commitment to inclusivity allows our children to feel well supported to thrive; and that our values of embracing opportunities, choosing kindness and valuing everyone, are embedded throughout the school community.

Pupils also demonstrated their pride in being part of our school during the inspection, which serves as a testament to the positive relationships cultivated amongst staff and students alike.

We look forward to you continuing to engage with us as we strive for excellence together. Your support is invaluable to our Westonzoyland community. Should you have any questions regarding the report, please feel free to get in touch.

With very best wishes,

Andy Clark
